Wright back at work

Suspended officer, city reach agreement

By Mike Myers
Staff writer

GRANITE CITY — Police Capt. Glen Wright returned to work Monday after reportedly reaching an agreement with the city.

Wright was suspended with pay May 29 pending a June 18 hearing on misconduct charges before the Board of Fire and Police Commissioners.

Commissioner Linda Irwin, secretary of the board, said Tuesday she understood negotiations between Wright's attorney, John Papa, and city attorneys had taken place and some sort of agreement had been reached.

"I understand our attorney is supposed to get a letter, but (Police Chief) Don Knight was not ready to release anything when I talked to him," Irwin said. "... I'm afraid I don't know anything more specific right now."

Knight confirmed that a written statement is being prepared by the attorneys in the case, but would not comment further.

Sources said Wright had been the subject of an internal investigation that started when a riding lawnmower, taken as evidence in a case a year or more ago, was discovered missing several months ago when the owner came to reclaim it.

The mower had reportedly been in a bin in an area of the Street Department's property. The bin is used for storing lost bicycles and large items recoverewd by police.

Wright was said to have been given the mower by city Safety Director Dick Portell and to have used it to build a go-cart for Wright's grandson. Wright reportedly admitted to having the mower when asked.

Wright joined the police department July 1, 1966. He served as the depasrtment's "Officer Friendly" from 1974 to 1977, when he was promoted to sergeant.

Wright was promoted to lieutenant in 1982 and has been a captain since 1985.

Department rules prevent Wright from commenting. Papa has defended Wright's conduct.

Papa said late Tuesday morning that he would meet that day with City Attorney Mark Goldenberg, but could not give specifics of the planned meeting.

Kirkpatrick boss says outsiders cause problems at housing unit

By Andy Siering
Staff writer

GRANITE CITY — Police say almost 7 percent of all calls to which they responded in a nine-month period last year originated from incidents in Kirkpatrick Homes.

The Granite City public housing project has about 1,500 residents in its 451 units — or about 4 percent of the city's population.

But Granite City Housing Authority Director Mike McKeon said most of the troublemakers don't live in the five-square-block project.

He said there was nothing the Housing Authority could do to prevent outsiders from hanging out in the Homes area. "Those are public streets," he said.

McKeon said several meetings had been held in the past about starting a Neighborhood Watch program, but nothing had come of them.

After a story in Thursday's Press-Record detailed some Kirkpatrick Homes residents' and city officials' concerns about crime there, McKeon said he had received "numerous calls from residents who were insulted at the article."

He said the callers felt the story "reflected poorly" on all the residents.

Police Chief Don Knight estimated it would require an extra four policemen to adequately patrol the housing project.

Mayor Von Dee Cruse suggested that the housing project might hire private security guards.

McKeon ruled that out, saying the housing authority didn't have enough money for security guards.

"I personally feel," McKeon said, "that the Granite City Police Department has done an excellent job of patroling the Homes."

Moreover, said McKeon, security guards are not equipped to handle the problem. "They're not police officers (who are) trained in dealing with people and people problems."

Patrolman Terry May said the forerunner of the Neighborhood Watch program was headed by the department's full-time public relations officer, called "Officer Friendly." But the department no longer has that position.

Still, May urged residents to call if they see a possible crime being committed. He emphasized they are not required to give their names.

"Whoever's interested should give us a call if they see something they think merits our attention," May said.

McKeon reiterated his view that the story Thursday was "a real insult to the residents, most of whom are like you and me — just trying to get along and not hurt anybody."

Charges in KP incident

GRANITE CITY — Five men were charged Friday in connection with an incident May 29 in Kirkpatrick Homes in which a man's elbow was shattered by a pipe.

Glen Harris of the 4000 block of Kirkpatrick Homes told police that a gang of men had attacked him and broken windows in the apartment in which he resides. Harris was

Reviews and previews

Kirkpatrick problems intensify

Residents of Kirkpatrick Homes are upset about what they say is inadequate police protection and fear that they are in for a long, hot summer. Lt. Dennis Joyce, shift commander, said last week that extra police coverage at Kirkpatrick Homes will continue "until things settle down." He said problems there are numerous, but mostly minor.

Shrine Circus continues today

The annual Shrine Circus performances continue today (Wednesday) and Thursday. Shows are scheduled for 7:30 both nights at the Tri-City Speedway, 5100 Nameoki Road.

Illinois Bell predicts savings

Illinois Bell customers will get a chance to see whether or not they will pay more or less under a new rate plan that goes into effect July 1. Analyses of each customer's last four months of calling charges will be mailed about June 20. In July, the monthly flat rate will be removed and customers will pay only for calls they make. Illinois Bell predicts $2 monthly savings for many residents.

Phone plan will topple 'subtle barrier'—Bell

By Ed Gurney
Staff writer

A barrier will fall July 1 when a new local calling area and rate plan go into effect, according to Mary McCormick of Illinois Bell.

There will no longer be toll charges for calls between most cities in Madison and St. Clair counties.

Until now, some people have been reluctant to call friends and businesses in other cities because of toll charges, McCormick said. "It's a subtle barrier, but it's there," she said.

Starting July 1, each call in the Illinois Bell calling area in Metro East will cost no more than 5.6 cents, no matter how long it lasts.

Now, a five-minute call between Belleville and Alton costs 78 cents. A five-minute call between Belleville and Collinsville costs 52 cents and a call between Belleville and Edwardsville costs 67 cents.

After July 1, each will cost no more than 5.6 cents.

Most customers are expected to save under the new rate plan.

McCormick said customers should know that even though the cost of each call will be limited, they still will have to dial 1 before dialing phone numbers that until now have been toll calls.

The need to dial 1 will probably be eliminated in about a year, she said.

Other facts about the new rate plan:

- Customers in East St. Louis, Granite City, Cahokia and Pontoon Beach who have had the so-called "bridge service" allowing them to make calls into St. Louis will benefit under the new plan. They will no longer have to pay extra for that privilege.
- There will be discounts based on when calls are made and the volume of calls. Discounts of 40 percent (making the cost of each

Tip of the hat

Honors Day

Paul Brandt of Granite City, a junior at Illinois College in Jacksonville, received the Al Miller Academic Grade Point Trophy in track at the Honors Day Convocation on May 17. Brandt, a 1987 graduate of Granite City High School, is the son of Mr. and Mrs. Paul Brandt of Granite City.

$500 reward offered for info on missing woman

COLLINSVILLE — Donna Snedecor-Jenson's friends and fellow employees at the Illinois Power office in Granite City are offering a $500 reward for information leading to the discovery of the missing woman.

A search Thursday in East St. Louis failed to produce any clues about the whereabouts of the 30-year-old, who police believe has been a victim of foul play.

Snedecor-Jenson has been missing since April 26, when she told friends she was going to East St. Louis.

Collinsville Detective Ron Borkowski, who has been assisting East St. Louis investigators, said a psychic from the Springfield area will be consulted Monday or Tuesday if the Collinsville woman is not found.

Borkowski said it would be the first time he has utilized a psychic, although the department used one in 1983 when an elderly woman wandered away from her home.

The police detective accompanied an East St. Louis detective

Man alleged of triple battery on lot

Called to a reported fight in a parking lot at Nameoki Road and Pershing Boulevard at 10:40 p.m. June 1, officers were told by Audrey Adams of the 2400 block of East 23rd Street that she had been struck in the face by a man who then left the scene.

Adams, 32, said she was sitting on the lot when the man, later alleged to be Charles Howard Freiner, 34, of the 2200 block of Alexander Street, approached and began kicking Harold Burris, 40, of the 3700 block of Kirkpatrick Homes. When she protested Freiner's actions, he then struck her, Adams said.

Freiner also pushed another woman, Faith Oliver, 29, of the 2400 block of East 23rd Street, who was at the scene, it was alleged.

Freiner was seen nearby and Auxiliary Police Officer Mark Dowdy pursued the suspect on foot, catching him in the 3400 block of Kirkpatrick Homes. Freiner was booked on three counts of battery. He posted $306 bail and was released, pending a hearing.

Arrested on two charges

Kenneth W. Rayoum, 26, of Park Towne West was charged with criminal damage to property and resisting arrest May 31 after he allegedly broke a window in the 2100 block of Alexander Avenue. Police twice responded to disturbances at the address. The second time, Rayoum allegedly had broken a kitchen window. He was found hiding nearby and allegedly shoved the arresting officer.

Two injured in mishaps

Police officers responded to 10 traffic accidents June 1 and early June 2 but only two of the mishaps involved injuries.

The car of Thomas W. Rayoum, 19, of the 2100 block of State Street struck a tree in an easement in the 1800 block of Maple Street at 3 a.m. June 2 and he suffered a minor injury.

Rayoum, who was located in the 1600 block of Maple Street, told police he was driving south on Maple and had to swerve to avoid another vehicle passing him on the right.

Harry E. Snell, 42, of the 2000 block of Dewey Avenue suffered a minor injury when his auto, northbound on Washington Avenue, was involved in a traffic mishap at 8:22 a.m. June 1.

Mark L. Leggitt, 23, of St. Louis was driving a pickup truck east on 24th Street when the collision with Snell's auto occurred.

Store window smashed

The bottom portion of a plate glass window at Lori's Fashions, 25 Nameoki Village Shopping Center, apparently was broken by a skateboard flipping into the glass, it was reported at 10:05 p.m. June 1. When officers arrived at the store, numerous skateboarders were hurriedly leaving the area.

Granite City

Soccer club burglarized

Somebody broke into a concession stand operated by the Quad City Soccer Association at Illinois Route 3 and North Street during the weekend of May 26-29. Taken were a metal detector valued at $40 and $200 worth of candy.

Store van burglarized

Somebody entered a van belonging to Rent-a-Center, 3214 Nameoki Road, during the night of May 26-27 and took a 100-watt stereo system from the dashboard.

Tailgate, door stolen

Somebody removed the tailgate and driver's side door from a 1979 Dodge D-50 pickup truck belonging to Merle Brauer of the 2700 block of Harvey Place during the night of May 26-27. An inexpensive wristwatch was taken from the dashboard.

Radar detector taken

Avak Karabian of the 2500 block of Lynch Avenue reported somebody broke a window of his car during the morning of May 27 and took an $80 radar detector.

Served with 2 warrants

Raymond Eugene English, 19, of the 4700 block of Lake Drive, Pontoon Beach, was arrested at 4:11 p.m. June 1 at a residence in the 2300 block of East 23rd Street on two Granite City warrants alleging mob action and battery.

Damage warrant served

Kip Wayne Franklin Wallace, 17, of the 2600 block of Kirkpatrick Homes was arrested in the 4600 block of the housing complex at 4:10 p.m. June 1 on a warrant alleging criminal damage to property. He posted $202 bail and was released, pending a hearing.

Wallet, $356 missing

Eleanor Kelley of the 2600 block of Center Street reported at 7 p.m. June 1 that her wallet/purse valued at $85 had been lost or stolen while she was at the Nameoki Village Shopping Center. The wallet contained $356, stamps, insurance cards and a driver's license.

Arrested on warrants

Billy Joe Merchant, 17, of the 4500 block of Kirkpatrick Homes was arrested on two warrants after he was seen walking on 27th Street at Grand Avenue at 3:15 p.m. June 1. The warrants cited charges of mob action and battery.

Vending box destroyed

A newspaper vending machine worth $250 was destroyed by thieves who apparently used an ax or similiar tool to smash the machine's plexiglass front and coin box and steal an undetermined amount of coins.

The machine was stolen from the Honey Bee Bakery, 3675 Nameoki Road, Elmer Miller of Granite City News reported.

An officer recovered the box from an alley in the 2200 block of Grand Avenue when a resident nearby reported seeing the machine laying there at 7:22 a.m. June 1.

Post 307 services

Memorial Day services were held on the lawn of the American Legion Venice-Madison Post 307 in Venice on May 28. About 250 persons attended.

The colors were posted by the American Legion Venice-Madison Post 307 Color Guard. Invocation was given by Father Tom Commons of St. Mark Church of Venice. The National Anthem and Pledge of Allegiance were also presented.

Speaker for the service was Charles Pollard, 22nd District commander of the American Legion, of Highland.

Wreaths were placed by the women of Unit 307 Auxiliary, Amvets Post 204 and Auxiliary of Madison, Amvets Post 51 and Auxiliary of Pontoon Beach and the Illinois POW/MIA Vigil Team.

The Post 307 Color Guard fired a "Salute to the Dead" and while "Taps" was played. Members of the Sons of the American Legion Squadron 307 raised the flag.

There were 554 crosses placed on the lawn which represented persons included the following groups: Those from Venice and Madison killed in action during World War I, World War II, the Korean War and Vietnam and all members of Post 307 who have died since the Post formed in 1932.

Guests attending included Dorma Lee Peach, a Gold Star sister; John Bellcoff, mayor of Madison; Rep. Sam Wolf, D-Granite City; Jack Dempsey of New South Wales, Australia; James Taylor, junior naval R.O.T.C. instructor; and Georgia Pollard, 22nd District president of the Legion Auxiliary.

Groups represented were Venice-Madison Post 307 Boy Scout Troop 1, American Legion Tri-City Post 113 and Auxiliary; Madison VFW Post 7451; Ill.-Mo. Rebel Submarine Veterans of World War II and Auxiliary; and Gateway Vietnam Veterans of America, Chapter 422.

John Filkins

John Filkins, son of Mr. and Mrs. Jack L. Filkins of East Chain of Rocks Road, Mitchell, has been promoted to the rank of staff sergeant in the U.S. Air Force.

Filkins, a 1978 graduate of Granite City High School North, is stationed with the 508th Strategic Missile Squadron (SAC) at Whiteman Air Force Base, Mo.

His parents were notified of his selection for promotion in a letter from Filkins' unit commander, Lt. Col. Richard E. Webber.

"As John's unit commander, I know that his contribution to our organization, both on and off duty, as well as his excellent background and training record earned him this selection for promotion.

"The strength of our nation's strategic deterrence depends upon the efforts of individuals such as John. His achievements are truly outstanding," Webber said.

Vincent Foley

Navy Petty Officer 3rd Class Vincent F. Foley, son of Louise N. and Edward W. Foley Jr. of Venice, recently reported for duty aboard the aircraft carrier USS Nimitz, homeported in Bremerton, Wash.

A 1987 graduate of Southwestern High School in Piasa, he joined the Navy in November 1987.

Craig Yager

Marine Lance Cpl. Craig L. Yager, son of Ruth Yager of Granite City, recently departed Camp Lejeune, N.C., on deployment to the Mediterranean Sea while serving with 22nd Marine Expeditionary Unit at Camp Lejeune.

During the six-month deployment, Yager and more than 1,700 sailors and Marines will participate in various military exercises involving numerous squadrons and Navy ships. He will also visit several foreign ports.

A 1988 graduate of Granite City High School, he joined the Marine Corps in February 1989.

Robert Pritchard

Pvt. Robert W. Pritchard has graduated from the telephone central office repairer course at Fort Gordon, Ga.

Students learned to use specialized hand tools and test equipment for the maintenance of manual/semi-automatic and selected transportable automatic electronic telephone central office systems.

Pritchard is the son of Latricia Pritchard of Madison. He is a 1989 graduate of Madison Senior High School.

Samantha Long

Navy Seaman Samantha J. Long, daughter of Calvin D. Savage of Madison, has completed recruit training at Recruit Training Command, Orlando, Fla.

During Long's eight-week training cycle, she studied general military subjects designed to prepare her for further academic and on-the-job training in one of the Navy's 85 basic fields.

Long's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

Long is a 1986 graduate of East St. Louis Senior High School.

Timothy Harrigan

Timothy E. Harrigan of Granite City has joined the U.S. Army.

According to his recruiter, Sgt. Norma Washington of the U.S. Army Recruiting Station, 3675 Nameoki Road, Harrigan has received the Army's written guarantee that he will receive training in the speciality of his choice — Motor Transport Operator.

Harrigan, a 1988 graduate of Granite City High School, will take basic and advanced training at Fort Dix, N.J., reporting for duty Aug. 14.

He is the son of Mr. and Mrs. Hugh Harrigan of Granite City.

Young people who can meet the Army's physical and aptitude standards may call Sgt. Washington at 876-5950 to learn more about Army opportunities.

Randy Odom

Pvt. Randy A. Odom has completed an aircraft structural repair course at Fort Eustis, Newport News, Va.

During the training, Odom studied the maintenance, repair, and fabrication of aircraft structural members, sheet metal, stress panels, fiberglass, and helicopter rotor blades. Included were the identification, usage, and maintenance of common, special, and precision tools.

He is the son of Randy H. Odom of Granite City.

His wife, Michelle, is the daughter of Mike A. and Maryln K. Thomas of Granite City.

The private is a 1989 graduate of Granite City Senior High School.

Christopher Laymon

Navy Petty Officer 3rd Class Christopher J. Laymon, son of Connie M. Spiker of Granite City, recently departed Norfolk, Va., on deployment to the Mediterranean Sea while serving aboard the aircraft carrier USS Dwight D. Eisenhower, homeported in Norfolk.

During the six-month deployment, Laymon will participate in various military exercises and visits to several foreign ports.

He will also take part in the ship's 100th anniversary of the birth of President Dwight D. Eisenhower. The celebration will include special ceremonies during the port visits.

A 1988 graduate of Granite City High School, Laymon joined the Navy in June 1988.

Alegray Patterson

Pvt. Alegray Patterson has completed training at the U.S. Army Infantry School, Fort Benning, Ga.

Patterson is the son of Ruthie Hamer of Madison. The private is a 1986 graduate of Madison High School.

During the course, Patterson received training which qualified him as light-weapons infantryman and as indirect-fire crewman in a rifle or mortar squad.

Instruction included weapons qualifications, tactics, patrolling, land mine warfare, field communications and combat operations.

ROTC drill team takes top competition honors

The Air Force ROTC Drill Team at Southern Illinois University at Carbondale brought home first-place honors from the Purdue Invitational Drill Meet for the second consecutive year.

Drill teams from 12 colleges and universities in Illinois, Indiana, Kentucky and Ohio competed in April in individual, small group and team events.

Two members of the drill team are from Granite City. They are:

D. Chad Davis, a junior in aviation flight-management, who is drill team commander. The son of Janet E. and Kenneth R. Davis, he is a 1987 graduate of Granite City High School.

Benjamin C. Szedlar, a freshman majoring in cartography and the son of Karen R. and Bill G. Szedlar. He is a 1989 graduate of Granite City High School.

Book lovers can browse at annual library book sale

The annual Friends of the Library book sale is scheduled for Friday and Saturday at the Granite City ice rink, Benton and Oregon streets.

The sale will be held from 6 to 9 p.m. Friday and from 10 a.m. until 3 p.m. Saturday. Admission will be $1 on Friday during the preview night, but no admission will be charged Saturday.

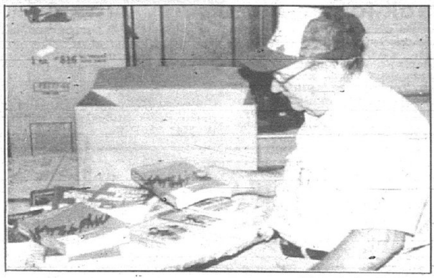
Both paperback and hardcover books will be on sale for 25 cents each.

The sale will include everything from magazines on antiques to children's books.

Members expect to have about 55 boxes of books for sale, according to Judy Smith, president of the Friends of the Library.

Proceeds from the sale will be used for special projects to aid the Granite City Public Library. The Friends are partially financing the children's summer reading program by paying for prizes, including books, visors and T-shirts.

Membership in the Friends group will be available for $3 at the ice rink. A membership will include free admission to the preview night.



(Photo by Marvin McGee)

BOXES OF BOOKS to be offered for sale this weekend by the Granite City Friends of the Library are surveyed by Bob Reed, library employee. Hours will be 6 p.m. to 9 p.m. Friday and 10 a.m. to 3 p.m. Saturday.

'A' students to be rewarded

Students with five or more A's, or the equivalent grade, will be admitted free to the Magic House, St. Louis Children's Museum, 516 S. Kirkwood Road, from June 19 through 24.

Students with three or four A's will be admitted for $1; those with one or two A's will get in for $1.50. To participate, museum visitors must bring their report cards with them.

Admission normally is $2.50.

The Magic House is open 9:30 a.m. to 5:30 p.m. Tuesday through Thursday; 9:30 a.m. to 9 p.m. Friday; 9:30 a.m. to 5:30 p.m. Saturday and 11:30 a.m. to 5:30 p.m. Sunday. For information: (314) 822-8900.

Classic cars to tour in June

More than 60 pre-1937 classic automobiles will begin a 17-day, 1,700-mile tour around Missouri June 12 as part of the Missouri Bankers Associaton's centennial celebration.

The tour will be in the St. Louis area June 13. The cars will travel on Highways 47 and 30 from Union to Grant's Farm, arriving about 9 a.m.; leave at 10:30 a.m. to travel to University City by about 11:30 a.m. for lunch; and then leave for downtown St. Louis about 3 p.m. The tour group will stay overnight in the Adam's Mark Hotel and leave June 14 for other parts of the state, arriving back in Union on June 28.

Drivers from 17 states will participate. The cars range from a 1909 Lambert and 1909 Stanley, the oldest cars, to a 1936 Chevrolet, the newest model. Also included will be a 1931 Cadillac Town Car, a 1912 Pierce "48," a 1927 REO Victoria and several variations of Ford's "Tin Lizzie," the Model T.

Free Levee Line operating

The Bi-State Development Agency has started its free Levee Line, a fixed-route bus service in downtown St. Louis that connects St. Louis Union Station, St. Louis Centre, Laclede's Landing, the Gateway Arch and other attractions on the riverfront, Busch Stadium and many hotels and parking lots.

The Levee Line operates from 11 a.m. to 10 p.m., Monday through Saturday, and from 11 a.m. to 6 p.m. on Sunday. Buses are scheduled every 15 minutes from 11 a.m. to 2 p.m. on weekdays and every 20 minutes at other times.

The route begins adjacent to Union Station at 18th Street and Market, runs south on 18th Street, east on Clark, north on 16th Street, east on Market, north on Ninth Street, east on Washington, north on First Street, east on Laclede's Landing Boulevard and south on Sullivan Boulevard to the turn-around point at Poplar Street. The route back to Union Station goes north on Sullivan Boulevard, west on Washington, south on Broadway, west on Market to 18th Street and then continues along the aforementioned route.

Funding is provided by the Downtown Taxing District, Downtown St. Louis Inc. and Bi-State. During its seven and one-half month run last year, the Levee Line carried 262,000 passengers.

Black journalist dinner June 24

Carole Simpson, ABC News senior correspondent in Washington and anchor of "World News Saturday," will speak at the Greater St. Louis Association of Black Journalists' 10th annual Black Excellence in Journalism awards dinner at 7 p.m. Sunday, June 24, at Marriott's Pavilion Hotel in downtown St. Louis.

Tickets are $25 per person and $250 for a table of 10. The program recognizes excellence in coverage of issues affecting the black community.

For more information or to make reservations, the number is (314) 361-7877.

The Legacy
UPDATE

One street, Rae's Creek Drive, is now finished and open for travel. Legacy Drive is one-fourth poured and will be completed as soon as the rains end.

Rae's Creek Drive is the site of the first of the homes offered for sale on the LEGACY GOLF COURSE. Marv Wallace, of Tri-County Builders, one of the approved builders for THE LEGACY SUBDIVISION has begun construction of a two-story home which offers a spectacular view, off a large cedar deck at the rear of the home, of a lake and the 9th green. Located at #60 Rae's Creek Drive, this home is being marketed through Coldwell Banker Star, Realtors. Call me for details.

We are not CRAZY! People driving by THE LEGACY GOLF COURSE and seeing the sprinklers going full force must think we've lost our minds. We haven't! All the greens have been seeded with grass and must be kept moist — so — standing water or not, the sprinklers must be turned on.

20 YEARS REMEMBERED: Wilma Hancock (left) of Granite City has retired from the Consumer Homemaking Education Program of the University of Illinois Extension Service. Hancock taught Quad City area and Madison County residents a variety of skills ranging from income tax preparation to gardening. Jan Burnett, right, presents her with a memory book compiled of letters written by Hancock's students and colleagues. The presentation took place at a luncheon attended by her associates, held at the First Presbyterian Church in Granite City in May.

Panel OKs quake bill

SPRINGFIELD — The Senate Insurance Committee has passed legislation sponsored by Sen. Ralph Dunn, R-DuQuoin, that would require insurance firms to offer information on earthquake insurance to homeowners in the New Madrid seismic zone, which includes southern Illinois.

"Senate Bill 1864, as amended, would require insurance companies to inform homeowners on whether or not they offer earthquake insurance. If they don't, they must tell homeowners where they can obtain it. This way, homeowners will know if they are covered or not and be aware of the issue. This is not a mandate to buy earthquake insurance," Dunn said.

The New Madrid Fault, a 120-mile-long rift from Arkansas to the tip of southern Illinois, is an area that scientists say is in danger of being hit by a major earthquake that could be catastrophic.

"Scientists say there's a 50 percent chance of a New Madrid earthquake by the year 2000. We have to make sure Illinois is ready in case this happens, and homeowners should be given the option of protection," Dunn said.

The legislation, which now goes before the full Senate for consideration, was a recommendation from the Governor's Earthquake Task Force. Dunn serves on the task force along with members from state agencies and private sector representatives from fields such as communications, medicine and engineering.

Some pensions are not being fully funded

By Sabrina Eaton
Staff writer

WASHINGTON — General Motors Corp., Chrysler Corp. and Trans World Airlines have millions less in their pension funds than are needed to cover obligations, according to a list released by the federal agency that insures pension plans.

Chrysler has $2.6 billion less than it needs to pay guaranteed benefits of almost $7 billion, GM is $1.9 billion short on its $19.4 billion obligations, and TWA has $108 million less than the $1 billion it is contracted to pay, said to the Pension Benefit Guaranty Corporation (PBGC).

The PBGC stressed that the list of 50 U.S. firms with the largest pension shortfalls doesn't reflect the companies' financial stability, although the agency would have to pay any shortfall if they default on benefits.

Though the PBGC is funded by premiums, critics of the nation's $1.7 trillion private pension system warn that taxpayers could end up footing the bills if defaults are extensive.

"Workers are best assured of receiving their full pensions if employers fully fund their plans," said PBGC Executive Director James B. Lockhart.

"Pension plan underfunding creates the potential for significant future liabilities to be shouldered by the pension insurance system and our premium payers."

Chrysler's Lee Sechler said it complies with the Employee Retirement Income Security Act and aims to have a fully funded program by 1998. "That program is still on target," he said.

Trans World Airlines has not made any official statement on the pension issue, said spokesman Jim Faulkner.

Mo. Botanical Garden walks being resumed

The Missouri Botanical Garden's "garden walker" program has resumed. The walks start at 7 a.m. Wednesdays and Saturdays until Aug. 22.

The program, designed to provide a pleasant setting for fitness-minded individuals to walk, is held at the garden, 4344 Shaw Blvd. A "heart-healthy" breakfast will be offered for $3.25 from 7 to 10:30 a.m. on walk days in the Gardenview Restaurant.

There is no admission fee to the garden before noon on Wednesdays and Thursdays.

Phillip Knor

Knor

Phillip H. Knor, 39, of New York City died Friday, June 1, 1990, in New York City. He had been in ill health for a short time.

Mr. Knor was born Feb. 26, 1951, in St. Louis, attended school in East St. Louis and graduated from Southern Illinois University-Carbondale and Parsons Interior Designing in New York City.

He was the owner of Soloknor Interior Designs, located in New York and California and was the recording secretary of the New York Orchid Society. He was of the Methodist faith.

Survivors include his mother, Millie Knor of Granite City, and a brother, Joseph Knor Jr. of Columbia, Mo.

Preceding him in death was his father, Joe Knor, who died in 1975.

Mr. Knor's remains will be cremated.

Frederick

William L. Frederick, 76, of Fairview Heights, formerly of East St. Louis, died at 7:59 a.m. Monday, June 4, 1990, at his home. He was born Dec. 11, 1913, in Williamson County, Ill.

Mr. Frederick was a retired master scaleman at Swift & Co., East St. Louis, where he was employed for 21 years.

He was a member of VFW Post 8677 in Fairview Heights, American Legion Post 53 of Fairview Heights and its Guard of Honor, and Packing House Workers Local 78 of National Stockyards.

Survivors include his wife, Frances M. (Labanosky) Frederick; one brother, John H. Frederick of Granite City; and two nieces, Georgia J. Neece of Pontoon Beach and Marilyn Frederick Pierce of Tucson, Ariz.

He was preceded in death by one brother and two sisters.

Visitation will begin at 5 p.m. today (Wednesday) at Kassly Colonial Mortuary, Fairview Heights, with the Post Guard of Honor conducting a Wake Vigil service at 7 p.m. A funeral Mass will be held at 10 a.m. Thursday at St. Philip's Catholic Church, East St. Louis. Burial will be at Calvary Cemetery near Edwardsville.

Bergfield

Walter I. Bergfield, 59, of Decatur died in the emergency room of St. Elizabeth Medical Center at 11:49 p.m. Monday, June 4, 1990, after becoming suddenly ill while visiting here.

Survivors include one son, Randy Bergfield of Granite City.

Funeral arrangements emts are pending at Irwin Chapel, 3960 Maryville Road, Granite City, 931-8000.

Wright

Daisy L. (French) Wright, 72, of Granite City died at 2:25 p.m. Sunday, June 3, 1990, at St. Elizabeth Medical Center. She had been there for six days.

Born Aug. 6, 1917, in Pattonsburg, Mo., she was a lifelong resident of Granite City. Mrs. Wright worked at the former First Granite City National Bank and then at Reese's Drug Store, where she was employed for eight years, retiring in 1974 as an officer manager. She was a member of the First Assembly of God.

Surviving are one son, Harry Wright of Troy, Ill.; one brother, Eugene French of Mayfield, Ky.; three sisters, Naomi Rudder of Glen Carbon, Mrs. Hubert (Mary) Joyce of Edwardsville and Catherine Nelson of Mayfield; three grandchildren and several nieces and nephews.

Her husband, Waldo L. Wright, died on Dec. 14, 1968; they were married in 1946 in St. Louis. A daughter, Betty Shriver, also preceded her in death, in 1967.

Visitation began Tuesday at 4 p.m., at Mercer Mortuary, 1416 Niedringhaus Ave., where funeral services will be conducted today (Wednesday) at 11 a.m. by the Rev. Dale Edwards. Burial will be at Sunset Hill Memorial Estates near Edwardsville.

Memorials are requested for the Heart Association.

Kamburoff

Mary Kamburoff, 90, of San Rafael, Calif., formerly of Granite City, died Thursday, May 24, 1990, after a short illness.

She was born March 4, 1900, and resided in Granite City for over 40 years.

Mrs. Kamburoff was a beauty operator. She moved to California in 1943.

She is survived by one son, John Kamburoff of Chowchilla, Calif.; one daughter, Loretta Kuder of San Rafael; three sisters, Barbara Asher of Martinez, Calif., Patty Savalio of Hayward, Calif., and Peggy Keller of Canbria, Calif.; six grandchildren, 12 great-grandchildren and one great-great-grandson.

Her husband, George Kamburoff, died in 1973.

A memorial service was held Saturday, June 2, in San Rafael. Her remains were cremated.

Williams

Hubert C. Williams, 62, of Granite City died at 2:21 a.m. Sunday, June 3, 1990, in the emergency room of St. Elizabeth Medical Center after becoming ill at home.

Born Feb. 29, 1928, in Akron, Ohio, he had lived in Granite City for the past 10 years. Mr. Williams retired from the Hercules Powder Co. in California.

A U.S. Navy veteran of World War II and the Korean war, he was of the Protestant faith.

Survivors include two brothers, his twin brother, Herbert D. Williams of Fairmont City, and James E. Williams of Tennessee; and two sisters, Zera Mae Rouse of Munford, Ala., and Geneva Hudson of Athens, Ala.

Private graveside services were held Monday at National Cemetery, Jefferson Barracks, Mo. Arrangements were handled by Davis Funeral Home of Granite City.

The family suggests memorials to the American Heart Association.

Howard S. Bradshaw and the Rev. Don L. Johnston. Burial will be at Highland City Cemetery.

Memorials to the United Pentecostal Church of Troy are suggested.

Social Security based on individual

By Bill Hunot
Social Security Administration

Q. My father worked for the railroad for about five years before starting his own business. Last year he died at the age of 60. We were told that no railroad benefits are due. What happens to the contributions that he made to the railroad retirement fund?

A. Since your father had less than 120 months of railroad service no benefits are payable by railroad retirement. However, his railroad work credit will be transferred to the Social Security Administration and combined with his Social Security-covered earnings when his widow's benefits are computed.

Q. My aunt has developed a very serious heart condition. Her doctor has told her to stop working. She told me that she was told that she can't get disability from Social Security because her husband makes too much money. Is this true?

A. If your aunt has worked enough in the eyes of Social Security, her husband's income won't matter.

Social Security disability benefits are paid whether or not the disabled person needs the money. As long as she has enough recent work and she can meet Social Security's definition of disability she will qualify.

The other program that Social Security administers for disabled people is Supplemental Security Income (SSI). Since that is an assistance program, your uncle's income could keep your aunt from qualifying.

For more details tell your aunt to call 800-234-5772.

Q. My husband and I are retired and have been enrolled in both Medicare and a Health Maintenance Organization for the last four years. We are going to move to Oregon soon. Can someone at Social Security tell us about any HMOs in Oregon?

A. Just call or visit your local Social Security office as soon as you get to Oregon. They will have information about HMOs that work with Medicare in their area.

Q. What is meant by accepting assignment? My friends who also are on Medicare tell me that I should get a doctor that does that. What is the advantage in it?

A. Accepting assignment means your doctor submits claims to Medicare for you and receives reimbursement directly from Medicare. More importantly, it means that the doctor accepts Medicare's approved charge as the full charge for a service and does not add anything to that fee. Since Medicare Part B pays 80 percent of approved charges after the first $75 per year, your share of costs will be limited to $75 plus the 20 percent that Medicare does not pay.

Conversely, if the doctor doesn't accept assignment, you also are responsible for the part of your bill that is above the amount approved by Medicare. The amount doctors actually charge for services is more than the Medicare-approved charge in 60 percent of cases nationwide.

The Gramm-Rudman Deficit Control Act makes assignment even more advantageous for the patient. Automatic cuts in government spending temporarily have reduced Part B reimbursement to about 78 percent of the approved cost. That means patients are responsible for a higher amount on unassigned claims. But on assigned claims, the law still limits the patient's share to 20 percent of the approved cost.

Ask your doctor if he will accept assignment of your Medicare claims. If he won't, you can find out about doctors who have agreed to accept assignment by contacting your local Social Security office.

Q. When I started getting Supplemental Security Income checks, I was given a booklet that told me what I have to report to Social Security. I lost it. Can I get another one?

A. Yes. Call 800-234-5772 or drop by your local Social Security office and ask for the booklet "What You Have to Know About SSI." There is no charge for this or any other Social Security publication.

Q. I recently married, but I have not changed my name as far as my job is concerned. Do I have to let Social Security know that I married?

A. If you are not changing your name Social Security is probably not interested in your marital status.

The only exception is if you are receiving Social Security benefits. Some benefits, such as benefits for children and young widows sometimes are stopped if the beneficiaries marry. SSI payments can be affected by marriage, too.

Q. A few years ago I worked briefly for a company that went out of business. They still owed their employees some money and left bad debts all over town. How can I be sure that they reported my wages to Social Security?

A. You should routinely check to see if your Social Security earnings record is accurate. Call 800-234-5772 and ask for a "Request for Statement of Earnings." All you have to do is complete a few questions and send the form back. About three weeks later you will get a list of all the Social Security-covered earnings you have had in each year from 1951 to the present.

Compare Social Security's records with your records and if there is a discrepancy contact your local Social Security office to get it corrected.

Q. My Social Security disability claim finally went through. I have been receiving disability benefits from my company's insurance plan and I need to know whether it will affect my Social Security.

A. Your Social Security disability payments are not affected by payments you get from a private insurance company. Your payments will be based on the amount of Social Security-covered earnings you had before becoming disabled. However, the amount of your Social Security is affected if you receive worker's compensation or certain other public disability payments.

Q. I received a notice today that my SSI case is being reviewed. What does that mean?

A. Social Security is required by law to periodically review every SSI case to make sure payments still are due and that the amount is correct. Social Security will ask you questions to determine if there have been any changes in your income or assets. If you get SSI because you are disabled, your medical condition also is periodically reviewed to make sure you still are disabled.

Send your questions about Social Security to Bill Hunot, St. Louis News Service, 1215 Fern Ridge Parkway, Suite 108, St. Louis, Mo. 63141.

•The new rate plan, ordered last year by the Illinois Commerce Commission, does not include coin telephones. In other words, it will still cost more than a quarter to make calls between many cities.

•Customers will continue to pay monthly fees for line charges, touch-tone and custom calling services in advance.

•The cost of providing local service will no longer be subsidized by toll rates, businesses and those who didn't make many local calls.

It is a system in which customers will pay for the services they use, McCormick said.

It is a fairer system because usage patterns now differ widely, she said.

•Businesses will save more under the new plan because they paid significantly more than their share under old rates, McCormick said.

It is estimated the typical residential customer will save about $2 a month and the typical business customer will save $9 a month.

•Rates for calls outside the new local calling area to people served by other local telephone companies will be reduced by an average of 25 percent.

Bridge ahead of schedule

By Kevin Foster
Staff writer

Construction of the eastbound span of the Jefferson Barracks Bridge is ahead of schedule despite the recent rains.

Dan Ables, the resident engineer for the Illinois Department of Transportation, expects the project to be finished and opened to traffic late this year or early in 1991.

"We're chugging away," he said. "We're a little over half done with the pouring of the deck. Probably, the best I can tell you right now, we may have traffic on the bridge before the end of the year."

After the concrete sections are in place, which is expected to be in August or September, the steel support structure will be painted, the approach ramps will be installed and the finishing touches will be added.

The entire project is expected to be done by summer 1991. "I would say we're running ahead of schedule and should be done early," Ables said.

He said the rains have caused some work stoppages. "If it rains during the day while we're working, we have to shut down. You can't be working on a bridge during a storm. If it rains during the night, it doesn't bother us much.

"Another three months of good work without too much of this rain and we'll be all right. We'll be in good shape."

The two bridges will cost a total of $70 million. The westbound span was dedicated in July 1984.

Concrete piers supporting the bridges were erected in the Mississippi River from 1977 to 1981 at a cost of $10 million.

The steelwork on the mre bridge cost about $23 million and was completed in December 1989 by Bristol Steel and Iron Works Inc. of Bristol, Va.

Halverson-Midwest Joint Venture of Springfield, Ill., is in charge of the $8.6 million deck work now in progress, including installing concrete sections, painting the steel support structure and constructing the approach slab.

Since last September, carpenters have been cutting lumber and assembling forms to support the concrete pavement. About 64,800 square feet of lumber are needed for the forms at a cost of about $10,000.

"It should take less than a year to complete all the deck work on the three-lane, 54-foot-wide, 4,000-foot-long bridge," Ables said.

Ables said a crew of about 70 has been working on the bridge the past few weeks from 8 a.m. until 4:30 p.m. five days a week.

About 95 percent of the present contract is the deck work and concrete. The other work includes guard rails and bridge approaches.

There are 208,000 square feet or 4.8 acres of concrete in the deck.

Concrete Resources Corp. of Columbia has a subcontract for the concrete. There are seven yards of concrete in a truckload and 7,000 cubic yards in the bridge project, Earl Perrin, president of the corporation, said.

Recreational noise causing hearing loss

Boom. Blast. C-R-U-N-C-H. Pow! Crash.

"Did you hear that?

"Huh?"

I said, "Did you hear that?"

"I am not getting fat!"

"No. I didn't say you were getting fat. I said, 'Did you hear that?' "

It's not easy to communicate with someone who has a hearing problem. However, we actually do have some control over keeping or losing our hearing, authorities say.

Hearing problems strike the young as well as the old — and in many cases, the harmful decibels are experienced during recreational activities.

Studies have shown attending loud rock concerts, symphony concerts and noisy ball games, or shooting guns may cause temporary hearing loss.

In observance of Better Speech and Hearing Month, the Audiology Department at St. Elizabeth Medical Center, is emphasizing the importance of preventing hearing loss.

Cheryl Siegel-Grieves, director of Audiology at SEMC, says, "People come into the office for the first time and say, 'I don't know what happened. My ears started ringing yesterday for no reason and now I seem to be having more trouble hearing.'

"I have to explain to people that generally you lose your hearing gradually, over many years. The loss depends on many things, including the noises you are exposed to, and how much and how loud the noises are."

Most people and the companies they work for are cautious about hearing loss and work-related noise. However, when many of these people leave work to go hunting, they leave their earplugs in their locker.

That is a mistake, according to Siegel-Grieves, who says one loud blast from a gun can damage the inner ear tissues and cause additional hearing loss.

"Many problems result from overexposure to noise in recreational activities like firing guns and loud music, as opposed to work-related noises.

"Most workplaces have federal standards to abide by — but after work, you are on your own.

"People are attracted to noise. It is stimulating. Noise makes people feel many different emotions, but when the noise is too high in decibels, it overstimulates the nerves in the inner ear.

"It is like pulling on a piece of elastic. Once the nerves become overstimulated, they lose their elasticity and become weak. Then, people gradually start to have hearing problems," Siegel-Grieves said.

How do you know when the noise is too much, and what can you do to protect your hearing?

A general rule is: If you have to shout to someone three feet away, you should be wearing hearing protectors.

"Wearing earplugs may seem like a nuisance, but it is no different than wearing eye protection or a hard hat," she says.

"The Audiology Department provides five different ways you can protect yourself from noise exposure, and possibly conserve your hearing."

- "Foam plugs are easy to use and inexpensive. Generally, they are compressed and placed in the ear canal. The foam plugs are washable and can be reused.
- "Pre-molded ear plugs also are available. These soft, flexible plugs are sold in varied sizes, with or without attached cords.
- "Another protector is the semi-aural device. It consists of a headband and flexible ear tips.
- "Earmuffs, which resemble stereo headphones, are another method of protection. They are made of rigid ear cups with seals around the ears.
- "The Audiology Department has offered custom ear protectors for several years. An impression of the ear is made, and an earmold is created out of a soft, semi-transparent material. The custom ear protectors are comfortable, snug, washable and last a long time. They not only protect from noise, but protect swimmers' ears from the effects of a dip in the pool.

"Many of our patients come in not because they can't hear, but because they can't understand what they are hearing. That is usually because of a high-frequency hearing loss.

"It is the most common form of hearing loss from noise exposure. It is important to use protectors and try to prevent the loss. But, if you think you may have a hearing loss, you should contact your physician or audiologist as soon as possible," Siegel-Grieves advises.

The Audiology Department has offices in the medical center, 2100 Madison Ave., Granite City, and in the Ginger Creek Hearing Center, located at 9 Professional Park in the Ginger Creek area of Edwardsville, offering a full range of services, from hearing testing to hearing protection.

'Psycho' goes nuts to lead Tigers to sectional crown

By Dave Wilhelm
Staff writer

GRANITE CITY — Mark Little's nickname is "Psycho," and the Edwardsville High School center fielder went nuts at the plate on Monday against Belleville West in the Granite City Sectional championship game.

Little drove in six runs with a single, double and home run as the Tigers crushed the Maroons 11-1 in five innings, gaining a berth in the state tournament in Springfield, which starts Thursday.

"Little was a one-man wrecking crew," said Belleville West coach Chuck Hasenstab.

Little's two run-single in the first gave the Tigers a 2-0 lead, and his two-run, inside-the-park homer in the third made it 5-1. The senior capped his day with a two-run double in the fourth.

"We won. We're going to state. That's all that counts," said Little.

Belleville West (19-10) had its opportunities early in the game against Edwardsville starter Dan Carter. John Mueller's bases-loaded single in the second made it 2-1, but Carter struck out Jon Bell and got Kurt Muskopf on a fielder's choice to prohibit further damage.

Edwardsville coach Tom Pile went to ace lefthander Tom Price in the third, and he promptly walked Craig McWhorter and Brian Daubach. After John Oestreich fanned, Keith Farroll drew another walk.

But designated hitter Chris Crabtree, who had singled in the second against Carter, hit into a first-to-home fielder's choice, and Chris Martin fanned to end the inning.

Price then cruised through the final two innings as the Tigers' bats took over. Price got the win and is 12-0 this year, 23-0 over the past two years.

"When you have your chances, you have to take advantage," said Hasenstab.

Edwardsville roughed up Belleville West starter Rob Lisch for eight runs (seven earned) in three innings. Lisch walked six and fanned one.

"He did not have a good day," said Hasenstab. "He couldn't get on top and he had no velocity. I may have gone with him too long, but when he's your best, you give him every opportunity."

Already leading 2-1, Edwardsville scored an unearned run in the third. Steve Flowers walked and went to second on Lisch's wild pitch. Dave Slemmer's fly ball to center was deep enough for Flowers to advance to third. The next batter, Todd Klucker, tried to squeeze, but popped out to catcher Daubach.

PSYCHO AND THE SNAKE: Mark "Psycho" Little (left) is congratulated by Greg "Snake" Morrison as the Edwardsville Tigers are headed to the state finals again.

Flowers, running toward home, was hung up, but Daubach's throw to third glanced off Flowers' helmet and into left field. Flowers was easily safe at home.

Little's homer to center field also drove in Price — who had walked — in the third, and Slemmer's triple to left-center scored Flowers to make it 6-1.

Little's two-run double to left-center and J.J. Scerba's bloop double to right off reliever Chad Tayon put the game out of reach.

The Tigers won it in the fifth on John Droste's RBI double and Price's single to right that scored courtesy runner Dean Suhre.

"Everything they hit at the end found a hole," said Hasenstab. "Good things happen when you swing the bat."

"This is great," said Edwardsville pitcher Joe Blasingim, who

Wizards blast Miners twice

By Mike Kelly
Staff writer

GRANITE CITY — The Miners fell to 3-3 in Mon-Clair League play with a double-header loss Sunday to the Sauget Wizards at Maxvill Field.

Vince Castaldo and Dave Meyer belted three-run homers in the opener as the Wizards (6-0 in the Mon-Clair League and 7-2 overall) outlasted the Miners 10-7. Then Joe Mehallow turned in a splendid pitching performance in the nightcap as Sauget nipped Granite City 6-5.

The Wizards wasted little time giving Mehallow the lead as Jim Greenwald blasted a two-run triple in the first off losing pitcher Scott LeVault. Sauget increased its lead to 4-0 in the second on RBI singles by Mike Rogers and Rick Fiala.

In the meantime, Mehallow was cruising along with a one-hit shutout until the fourth. An error ignited the Miners (6-3 overall) and they scored three runs, cutting the deficit to one. Tom Greco had a two-run homer, his fifth of the year.

Granite City tied the game in the fifth. Two-out singles by Mike Robertson, Greco and Daren DePew made it a 4-4 game. But the Wizards recaptured the lead in the top sixth when DePew committed an error on a hot shot to third off the bat of Jeff Junker with the bases loaded and two outs that scored two runs.

"I should have had that ball," said DePew. "It was hit hard, but I let it handcuff me a bit and it went off the heel of my glove. It was a tough play, but things like that happen when two good ballclubs get together."

Mehallow settled down following the scoring barrage and carried the Wizards into the sev-

Lady Kahoks blanked at state

By Jim Woodcock
Staff writer

ST. CHARLES — With tongue in cheek, Collinsville High School girls soccer coach Andy Kosberg wondered whether his team's 2-0 loss in the state tournament quarterfinals Friday would have been different had Hoffman Estates wore red and black.

Those are the colors of Granite City, the team the Lady Kahoks have beaten three straight years in the sectional title match to get to the Elite Eight. But once at the state tourney, Colinsville has problems scoring. Friday's shutout loss to Hoffman Estates in St. Charles marked the second time in as many years the Lady Kahoks have been blanked in the quarterfinals.

"We played really well, actually much better than last year," said Kosberg, recalling the 3-0 quarterfinal loss in 1989 to Schaumburg. "The problem was we had different people playing well for us at different times."

Collinsville closed the season with a 15-6 record — impressive enough, but hardly soothing to Kosberg and his players Friday afternoon. The Hawks took a 1-0 lead 27:13 into the match on a penalty kick by Shannon O'Neil that was awarded when defender Becky Thompson batted a ball out of the net with her hand following a Hoffman Estates corner kick.

"It was going in," Kosberg said. "It was actually a good move on her part and it gave us a chance to stop the PK."

The score remained 1-0 until Katjie Swangren doubled the lead by beating Corrie with 13:20 left in the match. The goal followed soon after a good scoring chance for the Lady Kahoks, who faced the wind in the fourth quarter.

watched the explosion from the dugout. "This was our goal all year, and we got it. The offense was great today. This team's just perfect for state. We have everything."

Price, who is 31-1 for his high school career, agreed with Blasingim.

"We've got the team this year," he said. "Everyone knews what they have to do. Nobody's selfish."

"The kids wanted it bad," said Pile. "Mark Little told me today, 'I don't care if I strike out four time if we get to go.'

Price also picked up the victory in relief in the Tigers' 1-0 win over Highland in Saturday's semifinal game.

"Tommy's smart," said Pile. "If it was anybody else, we wouldn't have done it this way. We said; 'Tommy, let us know (if you get tired).' We're not going to hurt his arm."

The Tigers lost to Barrington in the semifinals of the state tournament in 1988. Thursday's 4 p.m. game at state will give three of them a chance to erase that bad memory.

"For me, Tim (Funkhouser) and Mark (Little), we've been up there to play," said Price. "Now we get a chance to get back up there and redeem ourselves."

Hasenstab said he feared Edwardsville's narrow escape on Saturday would motivate them on Monday. He was right.

"That did concern me," said Hasenstab. "In the back of my mind, I had hoped they would clobber somebody so it wouldn't happen to us.

"Edwardsville will represent our area very, very well up there."

NOTES: The Tigers squeaked out Saturday's win when Slemmer scored on a passed ball by Highland catcher Travis Holt in the 10th inning. Kirt Ervin had a perfect game for five innings and a no-hitter for six, but Blasingim and Price both pitched five innings of shutout ball to keep the Bulldogs (20-5) at bay. Highland had runners at second and third with no outs in the fourth, but Blasingim got two strikeouts and a ground ball. Ervin had two strikes on Todd Klucker when Holt's miscue ended the game.

The Maroons had advanced to the final when Daubach hit his 12th home run of the year with two outs in the top of the seventh for a 2-1 win over Marion (13-11) on Saturday morning. John Oestreich got the win and Lisch got the save, while Quent Hamilton was the tough-luck loser for the Wildcats.

enth. He was lifted in favor of Castaldo after yielding a leadoff double to Tim Hogan. Castaldo surrendered a run-scoring single to Greco before getting DePew on a ground ball to earn the save.

"The middle of Granite City's lineup must be considered the best in this league," said Mehallow. "Those guys don't get cheated. They make solid contact all the time. And I didn't help matters any by getting my pitches up in those innings."

Scott Brown, despite giving up seven runs, went all the way to pick up the victory in game one. Mark Begando started and took the loss for the Miners, who got home runs from Robertson and Carl Archer.

NOTES: DePew said he will have to talk to league officials before determining when and if to finish last Thursday's game at Edwardsville. Granite City led 4-1 in the fifth inning when the lights went out at Hoppe Park. Other games to be made up are a Mon-Clair double-header with Brooklyn and a Night League game with Highland. The Miners play at Trenton tonight (7:25).

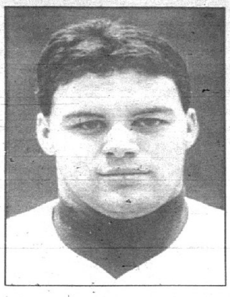
LeVault, Spartans take 2nd in nation



Scott LeVault
... started title game

It's not whether you win or lose, but just getting the chance to compete is the main thing. And Scott LeVault will forever get to say he was the starting pitcher in a national championship game.

LeVault, a 1987 Granite City High School graduate, completed his junior season at Aurora (Ill.) University as the starting pitcher for the Spartans in the final game of the NCAA Division III World Series in Battle Creek, Mich. He lasted 2⅔ innings and was the losing pitcher as Eastern Connecticut State defeated the Spartans 8-1.

Tournament MVP Brian Mercado hit a two-run homer off LeVault in the third inning to start ECSU on its way to the win.

"It was unbelievable just being there," said LeVault. "We could have competed with (Eastern Connecticut). They scored three unearned runs in the first game (a 4-0 win the day before). But that guy who hit the home run hit about 20 this year."

Aurora finished the season a 29-12 and took home second place in Division III.

"It was a pretty good year considering we had to wait up until 2:30 in the morning to find out we even made the regional," said LeVault, back in Granite City pitching for the Miners.

"The World Series has been an unbelievable experience for Aurora University," said Spartan coach Jim Schmid. "The fact that we are the No. 2 team in the nation hasn't sunk in yet, but I am sure everyone involved will remember this for a lifetime."

Aurora went 3-2 in the World Series and eliminated defending national champion North Carolina Wesleyan with two victories. Despite not even being ranked in the top 30 when the post-season began, the Spartans also made their mark by eliminating Marietta (Ohio) College — the nation's No. 1 team — in regional play.

Aurora came back from a 6-2 deficit to beat Montclair State 7-6 in the opening round of the World Series. The game was suspended from May 25 to the next morning because of rain with Montclair leading 6-2.

"The rain was the best thing that could have happened to us," said Schmid. "It gave us a chance to regroup and rally on Saturday."

In the next game, the Spartans made history by playing in the latest Division III championship round game ever. It started at 10:55 p.m. and ended at 2:19 a.m., but Aurora again came back from a 6-0 deficit to beat NC Wesleyan 8-7. They had to play again Sunday morning and lost 4-0 to ECSU before coming back with another late-night session and a 12-9 win over NC Wesleyan. That game lasted four hours and 28 minutes and ended at 12:53 a.m.

Playing their fourth game in less than 36 hours, the Spartans ran out of gas in the final game.

"Eastern Connecticut is a very talented team and is a deserving national champ," said Schmid. "I think we could have been more competitive if we were fresh. Those late-night games really took their toll."

Aurora will lose only three seniors and Levault (4-2 in 1990) should be one of the staff leaders as a senior.

"This has been a dream season," said Schmid.

The fifth game, if necessary, will be in Detroit on June 14 at 8 p.m. The sixth game in Portland, if necessary will be June 17 at 2:30 p.m., and the seventh game, if necessary, will be in Detroit on June 19 at 8 p.m.

Seven local players make select team

Seven Granite City soccer players have been chosen for the Illinois State Select Soccer Team Mini Camp to be held in Bloomington this weekend.

From the Granite City Elks Soccer Association are Grigsby Junior High School students J.B. Anderson, Nick Novacich, Scott Nemeth and Matt Little, all seventh graders. From the Miller Lite Soccer Organization are Granite City High School students Jason Nemeth Jr., Larry Strader, and Jason Mathenia, all of whom will be seniors.

Players were selected through competition involving hundreds of players from across the state in each age category. To be considered, players began competing in April for places on the Southern Illinois University Select Soccer Team. Those selected progressed to Champaign, where they were placed in competition against players from Central and Northern Illinois.

The outstanding 36 players in each age group went to Rockford on May 5-6 for a final competition and selection. Of those 36, 24 were selected to advance to the team camp this weekend. From there, 18 will be performing as the primary players and the other six will be designated alternates. That team will represent Illinois in regional competition in Ohio and Iowa this month.

The Miller Lite team from Granite City was the 1989 state champion in the under 16 age category.

SFF signing up for 30 and over league

Soccer For Fun in Granite City is taking applications for teams or individuals for 30 and over men's leagues on Wednesday and Sunday nights.

Eight games will cost $280. For more information, call Fred or Jo Ann at 797-0619.

2 Warrior kickers sign to play at BAC

Two senior members of the Warriors' 1989 state championship soccer team — Jeff Rosenburg and Danny Weathers — have been recruited to play at Belleville Area College.

"Jeff and Dan come from a quality program and that certainly helps our program," said BAC coach Larry Petri, a Granite City native. "They both will be versatile players, having experience playing more than one position."

Both players have played for Petri at the club level. Rosenburg scored one goal last year — the game-winner in a 1-0 win over Collinsville in the sectional championship. He is the son of Jerry and Rita Rosenburg of Granite City. Weathers had four goals and one assist in 1989. He is the son of Mr. and Mrs. William Weathers of Granite City.

BAC has summer baseball camps

Five week-long baseball camps for boys ages 8-14 will be held this summer by Belleville Area College.

Camps will be conducted at BAC's Belleville and Granite City campuses and at Red Bud High School. The Granite City camp will be June 25-29. Cost for the camp is $45 per person. Enrollment is limited, so persons are encouraged to sign up early by calling 235-2700 (extension 271) or toll-free 1-800-BAC-5131 (extension 271).

Each camp session will run from 9:30 a.m. to 12:30 p.m., Monday through Friday. Camps in Belleville will be June 4-8, June 11-15 and June 18-22. The camp in Red Bud will be July 9-13.

YMCA golf classic slated for Aug. 10

The Eighth Annual Tri-City YMCA Golf Classic will be Aug. 10 at the Arlington Golf Club.

The four-man scramble event will begin with a shotgun start at 12:30 p.m. Prizes will be awarded to the top teams in two flights. A steak social to be held at Rollins Clubhouse will follow the tournament. Attendance prizes will be awarded.

A fee of $65 will cover all expenses. Procees will help fund the YMCA Latchkey program. Last year the tournament raised in excess of $6,700 for the YMCA.

For more information, call the YMCA at 876-7200.

Baker soccer camp set for June 11-15

Gene Baker will be holding his annual Warrior soccer camp June 11-15.

The camp is for boys and girls ages 7-18. Various college players and coaches will be on hand to help with instruction. The cost for the camp is $65 and instruction times will be from 9 a.m. to 1 p.m. Monday through Friday.

Send checks to Baker at 1761 Vista Ridge, St. Louis, Mo., 63138. For more information, call Baker at 314-355-2374 or at Granite City High School (451-5808).

Gardening Hints

- It takes newly planted trees 2-3 years to become fully established. Don't neglect to water these plants during dry periods.
- Proper moisture is important for fruit development. Some types, such as peaches and plums, need ample water starting about 3 weeks prior to harvest.
- Prune climbing roses after they have finished blooming.
- Kids enjoy gardening too! Encourage them to plant easy-to-grow seeds of zinnia, marigold, bean and squash.
- Father's Day is next Sunday! Why not surprise Dad with a gift of landscape plants or gardening supplies?
- Apply mulch around strawberry plants, it helps keep the berries clean.

Protect home's surfaces against moisture damage

Moisture, the number-one enemy of a home's surfaces, attacks with a trio of weapons: water, vapor and ice.

Sometimes there are no warnings that damage is occurring. Before the visible signs of cracking and peeling appear on your paint, or your wood begins to warp and split, moisture is already damaging wood and metal household surfaces.

When you are planning the maintenance of number-one investment — your home — remember the following tips on protecting its most vulnerable surfaces from moisture.

Moisture goes through wood doors even then when they are closed, especially garage doors. For best results, paint only the external side of a garage door to allow the wood to "breathe" and let out trapped moisture. For the interior side, use a sealer or wood preservative.

The wood trim on your house is a favorite target of moisture. Its irregular shapes and horizontal surface structures tend to hold water, making trim extremely vulnerable to moisture damage.

Trim is also one of the most difficult exterior surfaces to paint, so you will save time and money in the long run by preparing the surface properly. Remove all loose paint with a chemical stripper or heat gun, then wash the surface and allow it to dry completely. Repair all holes or cracks with wood filler, and always use a primer before applying the finishing coat. To provide maximum protection for the trim, choose a premium brand paint. Also, because some trim is prone to mildew, consider adding a fungicide to the paint to control it; a durable barrier against moisture and mildew is provided by Rust-Oleum Wood Saver and Teflon, for instance.

And here's a tip for shutters: Drill approximately three, small, evenly spaced, ¼-inch holes on the bottom of each shutter to give moisture an exit drain.

The most vulnerable of all surfaces is the window sill, due to condensation. When water vapor in the warm air inside the house turns to liquid as it meets the colder glass, it drains onto the window sill. Here's a little window wisdom:

Be sure the "weep" holes on the storm window frame are clear so that water drains properly. And when you do paint window frames to protect them, try this trick to make it easier: Spray the window pane with water and cut a newspaper to pane size, covering it completely against the frame, and of course, wiping off excess water from the frame. After you have painted the frame, the newspaper will dry and fall away from the glass, revealing a neatly painted frame with no paint on the glass.

Because oxidation is taking place, the first sign of rust is bubbling, blistering paint. Whether it happens to a porch railing, mailbox, light fixture or other surface, rust is an eyesore.

Restore rusty outdoor metal surfaces by scraping off as much loose rust and paint as possible. Then you might use this shortcut: Instead of stripping and sanding to the bare metal, use Rust Performer, which chemically halts the oxidation and creates a sealed paintable surface. Again, for outdoor metal surfaces, topcoat them with a premium brand paint like Rust-Oleum, for maximum protection.

Metal outdoor furniture is another comfortable spot for moisture. Protect it with a moisture-resistant paint to prevent moisture penetration.

One million new decks are built each year in the United States, testimony to the fact that America's love affair with decks is stronger than ever. While pressure-treated wood resists rotting, extra protection is still required to prevent the splitting, warping and cracking damage caused by moisture and exposure to sunlight, as well as to prevent growth of mildew.

There are a variety of sealers on the market that resist moisture penetration, but use one that has UV (ultraviolet light) protection mentioned on the label. Harsh sunlight ages decks prematurely and the UV-resistant additive can keep the wood looking new longer.

Here is one more point to remember: Ventilation of the underside of the deck's wood is important. Never paint or varnish underneath; use only a wood preservative if you feel it is necessary to protect this side.

Cooking, cleaning and other activities generate moisture inside the home. Any wood or metal surface, such as cabinets, shelves or trim, is especially vulnerable. In addition to surface protection, ventilation is vital.

Use a hygrometer — a device used to determine relative humidity. If the level is above the recommended 40 to 45 percent, increase ventilation. A good rule of thumb is to have one square foot of ventilation opening for every 300 square feet of space of attic, basement and crawl space area. And remember to use the vent fans in your home; after you shower, leave the fan on for at least 15 minutes.

Those who wish more information on surface protection, moisture damage and painting, should write to "The Guru of How-To," P.O. Box 22252, Pittsburgh, Pa. 15222.

Cut flowers last longer with care

Cut flowers will last longer if they receive proper care. The Center for Commercial Floriculture gives these guidelines:

- Clean the vase thoroughly with detergent after each use. Rinse with clear water.
- Add floral preservative to water heated to approximately 100 degrees Fahrenheit and follow manufacturers' directions.
- Remove any foliage below the water line.
- Cut off lower half-inch of stem immediately before inserting fresh flowers in vase water.
- Keep flowers away from hot and cold drafts.

Trends editor sees family meal, grains in 1990s

By Janice Denham
Staff writer

Nancy Ross Ryan, senior editor of "Restaurants & Institutions Magazine," sees the 1990s as a time when people come back with their families to eat home-cooked food together — in spite of the time crunch on their lives.

"The 'me' generation is yielding to a new generation that puts the family together at the table," she told participants in the 1990 Dairy Council Writers' Conference in St. Louis.

She sees the family cook — or more likely the family cooks — learning to fix meals that go together quickly and easily. They use components from many sources, including restaurants and supermarkets.

"Grazing is here to stay, too," she said. "We know that it's OK to eat little meals."

With a return to home cooking, she sees people experimenting with more diverse seasonings and commodities. For instance, grains — like barley, bulgur, millet, buckwheat, amaranth, quinoa, triticale and teff — will become generally available. Ryan sees a wholesome style of eating, along with exercise, as a personal responsibility for longevity, as well as health.

At the same time, more artificial foods will be developed. She sees them being used side-by-side with original products.

She gave credit to Richard Perry, the advising chef at the Majestic Hotel where the conference was held, for encouraging an interest in local farm products.

Perry demonstrated how to make Mini Baked Alaska, a new-decade dessert made with hazelnut meringue cookies instead of sponge cake and frozen fruit yogurt for ice cream. He added a fresh fruit sauce for color and flavor.

Mini baked Alaskas

Meringue cookies

3 egg whites
½ tsp. cream of tartar
6 tbsp. sugar
¾ cup ground hazelnuts or almonds
2 tbsp. raspberry preserves
1 qt. frozen raspberry yogurt (See Note)

Meringue topping

6 egg whites
¾ tsp. cream of tartar
⅔ cup sugar

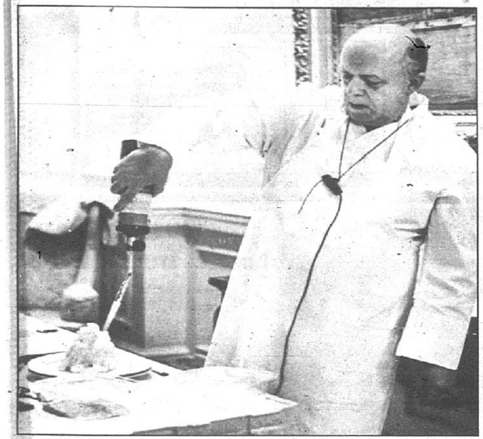
Sauce

2 cups fresh or frozen raspberries
⅓ cup sugar

Note: A different fruit flavor of frozen yogurt, such as peach or strawberry, can be used, embellished with complementary fruit sauces.

Beat 3 egg whites and ½ teaspoon cream of tartar until foamy. Gradually add 6 tablespoons sugar, while continuing to

(See MEAL, Page 3C)



WHILE MOST COOKS simply get out of the kitchen when it gets too hot, restaurateur Richard Perry has another solution to finishing individual baked Alaskas. He browns the meringue top with flame from a propane torch commonly found at a hardware store. To duplicate, it would be advisable to do only on an open patio or in a room with very high ceilings.

CIRCUIT BREAKER CARDHOLDERS ELIGIBLE FOR FREE GROCERIES FOR ONE MONTH

The Medicine Shoppe in Granite City has announced a special program during the month of June for cardholders of the Illinois Pharmaceutical Assistance (Circuit Breaker) Card. Pharmacist Steve Burdge explained that everyone with a Circuit Breaker Card can stop by the Medicine Shoppe at 3675 Nameoki Road to register for a free drawing for one month's free groceries of his or her choice (up to $200 maximum).

The winner will be drawn on June 30th. You need not be present to win. The Medicine Shoppe hopes the free groceries will help alleviate a major concern of some older Americans — the high cost of food.

Cub Pack 15 scouts earn several awards

Organizations

Cub Pack 15, sponsored by Eagles Aerie 1126, held its May 17 pack meeting at the Eagles Hall.

Cubmaster Rich Ahlers asked Den 4 Webelos to present colors and Committee Chairman Flo Stokes said the Cub Mothers prayer.

Ahlers gave brief announcements of future dates, including: June 9, Pack 15 barbecue on Eagles lot from 11 a.m. to 5 p.m; June 11-13, Cub Scout Day Camp; June 13-15, second group at the Edwardsville Township Park, starting at 9 a.m., Wild West theme; June 21, Pack 15 family picnic at Shelter 2, 6:30 p.m.

Ahlers gave space derby kits for the wearing of complete uniforms in the uniform inspection in May.

Awards were given to the following:

Den 3: Advancements: Bear badges, Justin Brinkmeyer and David Margrabe; gold arrow point, Justin Brinkmeyer; and silver arrow point, David Doolen.

Den 2: Two silver arrows and basketball belt loop, Denis Schwierjohn; Wolf badge, one gold and three silver arrows, Pat Copeland; Wolf badge, one gold and one silver arrow, Mark Moulton; one silver arrow and basektball belt loop, Dustin Kamp; and two silver arrow points, Robert Shipley.

Den 5: Advancements: three silver arrow points, Joel Townsend; four silver arrow points, Joe Freeze; three silver and one gold arrow, Robert Turner, Phillip Matoesian and Ben Phillips; one Wolf badge, one gold and two silver arrow points, Tim Owens; and Wolf badge, one gold and one silver arrow point, Kevin Buckingham.

Gail Forguson, Tiger organizer, was asked to light the yellow candle for leading the new Cub Scouts up the scouting trail.

Receiving their Tiger badges and certificates were: Stephen Bledsoe, Danny Forguson, Adam Zimmer, Andy Schwierjohn, Adam Blackwell, Kyle Smoot, Ryan Davenport and Justin King. Parents were then asked to recite the "Parents Partisfication Pledge."

Robert Shipley of Den 3 lighted the blue candle for truth and honesty of a Bear Cub Scout. Graduating were: Pat Copeland, David Doolen, Mark Moulton, Robert Shipley, Dustin Kamp and Denis Schwierjohn all received Bear books.

Den 5 leader, Richard Waeltermann, whose Den became Bears included: Robert Pierce, Kevin Buckingham, Joseph Freeze, Robert Turner, Joel Townsend, Ben Phillips, Phillip Matoesin and Timothy Owens.

Ahlers asked all second year Webelos of Den 4 and leaders to come sit in a circle on the stage as Ahlers asked parents, Leader Jack Moenster and Den 3 to come forward. Ahlers lit the red and green candle for future Boy Scouts.

Webelos books and scarves were given to the following: Jeff and John Ahlers, Justin Brinkmeyer, Keith Harris, Ryan Moenster, Corey Simpson, Ross Srdlacek and David Kargrabe.

Assistant Cubmaster Jack Moenster received a plaque from leaders committee members and the pack on his retirement from Pack 15 for his work in scouting. A new cubmaster will be installed June 21 at the pack family picnic.

PARENTS PLUS recently honored volunteers. In photo left, Shirley Kowalk (left) receives a special award from Parents Plus director Sue Parr. In photo right, members of Mainstay are recognized for food preparation efforts. From left: Lisa Epps, Parents Plus coordinator, and Mainstay members Pat Sanders, Bill Lowe, Hazel Rhoades, Don Piper and Lisa Hamilton.

Parents Plus honors its volunteers

On May 17 Parents Plus held its Annual Volunteer Recognition Awards Reception at Jerry's Cafeteria in Granite City.

Parents Plus is a program under Mental Health Services Southern Madison County. Parents Plus is a two-phase program that provides education and support programs for pregnant and parenting teens. The prevention component targets youth in grades 5 through 12 and includes parent and education.

Program Director Sue Parr said Parents Plus utilizes volunteers in advisory positions, as parent group facilitators, and as child care, transportation and administrative resources.

Each year the Parents Plus Program recognizes volunteers of the program as well as contributors that include merchants, organizations, and individuals in the community.

This year Shirley Adams was recognized as Volunteer of the Year 1989-90 for her contribution as an advisory council member.

Shirley Kowalk received a special recognition plaque for continued support in providing voluntary child care to the Granite City Parent and Information Support Group and assisting with fund-raising efforts throughout the year.

Parents Plus is funded through the Ounce of Prevention under Governor Thompson's Parents Too Soon Initiative.

New officers installed

The Young at Heart Club of Holy Family Church has installed new officers.

The meeting was called to order in the Community Center by President Lucille Caban.

Sr. Margaret Mary installing the following:

Irma Manning, president; Ruth Novacich, vice president; Margaret King, treasurer; Billie Schuler, secretary; and Cleola Siebert, corresponding secretary. The gavel was then turned over to Manning by the retiring president, Caban. Thanks were given to the outgoing officers and each was presented with a gift by the group.

Manning announced her new chairman and advised that the Holy Family Family Fest will be held June 22-24. Workers were asked to help at the flea market and cake booth, which will be sponsored by the Young at Heart.

Attendance prizes were won by the following: Elizabeth McCoy, Mamie Boyer, Janet Oberle, Winnifred Bringer, Margaret Kwiatkowski, Theresa Luebbery, Mary Rita Ahlers, John McKay, Martin Schulte, Anna Michaels and Marie Stanek.

After refreshments were served, entertainment was provided for the group by the Eagles Kitchen Band.

NEWLY-INSTALLED officers for Young at Heart (50 and over club) of Holy Family Parish for 1990-91, are pictured, from left: Irma Manning, president; Ruth Novacich, vice president; Cleola Siebert, corresponding secretary; Marge King, treasurer; and Billie Schuler, recording secretary.

CWU holds recent meeting

Church Women United met recently at Trinity Methodist Church.

President Mae Lee introduced Ann Ritzheimer, who spoke about the Big Brothers/Big Sisters organization. She stated that volunteers are needed to give companionship and guidance, to 7- to 14-year-olds.

Reports were given on the prison tour on May 21 in Dwight, Ill. Money is being sought to build a chapel at the facility. Money-making projects and offerings of the local CWU chapter have benefited the cause. Inmates at the prison may attend school or vocational classes daily. The CWU State president, Dorothy Yeomen, has been invited to speak about the chapel at the September Forum on Sept. 13 to be be held at the AME Church.

On July 28, a program titled, "Care and Share" sponsored by Protestant Welfare, will be held at Concordia Lutheran Church. New clothing and shoes will be given to children of school age. Good, used clothing will be given to needy adults. Monetary donations and volunteers are needed to help in the project, and those interested should contact Protestant Welfare.

CWU, with Red Cross, is sponsoring a blood drive on June 29 at Holy Family School, 1900 St. Clair Ave., from 2 to 7 p.m.

CWU voted to donate money to the Phoenix Crisis Center for supplies.

The next meeting of CWU will be held on Aug. 28 at Trinity Methodist Church.

Students in Muny's 'Bye Birdie'

More than 250 St. Louis thespians from area high schools convened to audition for the Muny's summer production of "Bye Bye Birdie."

Sixty teens made the grade and have been cast as "Birdie" groupies. The auditions were held on April 29.

Among the teen-agers selected are: Jennifer Brand and Winona Mefford, both from Granite City High School.

Inspired by Elvis Presley, the musical takes a humorous look at parents, teen-agers and a rock and roll idol about to be inducted into the Army.

Adding to the excitement of performing in a professional production at The Muny will be the opportunity for the young people to work with multiple Tony Award-winner Tommy Tune, who stars as the fast talking press representative, Albert Peterson.

"Bye Bye Birdie" runs from July 9-15 as part of The Muny's 72nd season in Forest Park.

Retirement party given

A surprise retirement party was given for Cecilia M. Hanrahan by her children on May 19 at Mazzini's Restaurant.

She retired from the Granite City School District after 24 years as school nurse on May 31.

An Italian dinner was served to relatives and friends. A poem of appreciation was read by her daughter, Denise Blankenship, and a toast was given by her son, Larry Kayich.

Others present included Denise's friend Michael Kiely; Larry's wife, Peggy; Diane Wilson; Elaine Sneed and husband, Kevin; her grandchildren, Jamie and Jodi Melzer; and Daniel, Christopher and Kelly Kayich; Torrie Wilson; and Nicole and Alex Sneed. Absent were Doug Wilson and grandchildren Brik and Michael Wilson.

Also present were brothers Richard Loyet and wife Jeanette; Cecil and wife, Tiny; Tommy Loyet and wife, Dee; and sisters and husbands, Florence and Don Moore and Bernadine and Lyle Howell.

Friends included: Myrlene Kriz, Frank Clark, Mary Karoly, Delores Stalecker, Margaret Amisch, Barbara Wyatt, Laverne Mank, Doris Weaver and Delores and Bruce Mort.

Retirement recognition has been given to Hanrahan from the Marquette-Kaskasia Division of School Nurses; the teachers Union of School District 9; Wilson School PTA; Sixth grade choral students at Wilson school; Granite City School Board; the staff of Grigsby and Wilson schools; fellow school nurses, children and others.

"ST. LOUIS' CCA®"

our Community Commitment for Action...

a commitment to provide financial support for charitable organizations

KEZK-FM, WCEO-AM, over 45 corporations and over 100 charitable organizations join forces for the ninth year in "St. Louis' CCA." CCA is a program which provides financial assistance for bi-state non-profit and charitable organizations.

With the support of the St. Louis business community the new "St. Louis' CCA" presents multiple fundraising opportunities for Missouri and Illinois charitable organizations.

Find out how YOUR non-profit organization can share in the benefits. CCA is open to all non-profit organizations, churches, schools, charities, etc. in the St. Louis bi-state area.

Featuring these Corporate Sponsor Special Values...

AMOCO. New extended program for the Ultimate Gasoline Guarantee! The Ultimate Guarantee deadline for customer enrollments is extended to December 31, 1991. More important is that Ultimate Gasoline is now guaranteed on new cars for 100,000 miles or 100 months, whichever comes first. Now your new vehicle will be eligible for the guarantee if it has been owned or leased less than 12 months and has fewer than 12,000 miles. Only the original owner or original lessee qualifies.

BUNNY BREAD: Special limited-time offer from Bunny Bread! Earn an extra 1000 Bonus Points for any variety of Bunny Bread now until June 20, 1990. Two weeks only, so act now!

CHICKEN OF THE SEA: The mermaid cares! Chicken of the Sea is committed to providing only dolphin-safe tuna. And from now until June 30 you can earn an extra 500 bonus points on any Chicken of the Sea product!

DELICIOUS COOKIES & CRACKERS: Earn 1000 Extra Bonus Points on the purchase of any 16-ounce package of Delicious Cheese Snack Crackers, 16-ounce Snacker Cracker or 16-ounce Wheat Snack Crackers.

DOHACK'S RESTAURANTS: "St. Louis' CCA" welcomes DOHACK'S RESTAURANTS! Dohack's has been a St. Louis favorite for 67 years! If you've never been there, get over and try their delicious jack salmon or chicken. Remember, you'll receive triple bonus points Monday through Thursday.

FAIRMOUNT PARK: Enjoy this Triple Crown Classic! This Saturday, June 9 is Belmont Stakes Day! The gates open at 12 noon, and post time is 1:30pm. Be sure to pick up your proof-of-admission at the switchboard in the Grandstand.

LANDMARK BANKS: Score big with Landmark Banks! Earn many valuable points for opening new accounts including C.D.'s, auto loans and a Landmark MasterCard or VISA card. You'll also earn points for joining Landmark's Bankclub (55 years or older) or inviting a Landmark representative to speak to your organization! Ask for your special CCA receipt.

ORKIN: Orkin is proud to be participating in this year's CCA program. Remember Orkin is offering 100,000 CCA points for a FREE home inspection, 200,000 points for buying pest control, and 300,000 for buying termite control.

THE PAPER WAREHOUSE: The Paper Warehouse for all your wedding, picnic and reunion paper plates, napkins, balloons ... everything for your special event.

SCHNUCKS: Father's Day is June 17th. Earn 1000 extra bonus points when you purchase any floral arrangement from Schnucks Florist. Just circle the word "FLORAL" on your Schnucks receipt.

WEBER CHEVROLET CO. - CREVE COEUR, MO. AND GEORGE WEBER CHEVROLET -COLUMBIA, IL: Over 1200 cars and trucks to choose from. Get a new car and earn 250,000 bonus points for Tuesday and Thursday (all day) purchases and Saturday morning purchases. Weber Chevrolet, I-270 at Olive in Creve Coeur, Mo., and George Weber Chevrolet on Main Street in Columbia, IL.

NEW CORPORATE SPONSOR St. Louis' CCA welcomes THE WAFFLE HOUSE. Home-cooked meals, friendly service, great prices and 7 locations! Tear off the bottom of your receipt.

Schnucks and CCA. Schnucks and "St. Louis' CCA" encourage you to continue to (or begin to) turn your Schnucks register tapes in to your favorite CCA charitable organization. Although the Schnucks "Apples for Students" school receipt program has concluded, CCA is still going strong and will continue for many months to come. "St. Louis' CCA" thanks Schnucks for its continued support of the wonderful accomplishments of the CCA organizations.

Belleville BBQ to offer taste, music

Barbecue, beer and bands will be a part of the Downtown Belleville Center's Annual Barbecue Cook-Off, on Friday and Saturday, June 8 and 9. Contestants will compete for prize money and the title of "Best Barbecue."

This event, which takes place on Friday from 10 a.m. to 9 p.m. and on Saturday from 10 a.m. to 5:30 p.m. is co-sponsored by Illinois Distributing Inc. and the *Belleville Journal.*

In addition to barbecue for sale, the event will include entertainment, a car display, beer wagons, games and sidewalk sales.

Barbecue judging, for cash prizes and ribbons, will take place at noon Saturday. Winners will be announced immediately after the judging at the band stand.
